

Imprint Details

When providing your custom imprint details please note that the print area is 1.75" high by 10.50" wide within the 2.0" high x 10.75" wide area under the calendar, this avoids the risk of print cutting off on the sides and/or hidden behind the calendar sheet above.

Up to 5 lines is best but there is plenty of room for creative license. Color (CMYK) is INCLUDED in the unit price.

Print-ready artwork, please furnish a PDF.

Photographs, please provide as a high-res file such as JPG, PNG or TIFF.

Logos, please provide as a PDF, EPS or AI with outlines.

clearance allowance to avoid print cut off.

Imprint design is INCLUDED in the unit price. New art requests will always go thru a "proofing" phase before printing.

If you would like your print area to be flush to the edge of the paper please furnish art extended past trim lines, call us for details.

Full page artwork is available, call us for details.
